

Hi All,

Just a reminder about the next NEPAB meeting October 4th from noon to 2pm at the Budweiser Event Center in Loveland. I would like to invite you to attend or call in. (<http://www.ncretac.org/> under NEPAB page and "go to Meeting). We will be discussing the need to set up a STEMI network for the RETAC and follow the AHA Mission Lifeline goals. Below is a video (top one) that helps to see what we are wanting to accomplish. I have also attached some information for Mission Lifeline.

http://www.heart.org/HEARTORG/HealthcareResearch/MissionLifelineHomePage/Mission-Lifeline-Video-Library_UCM_316687_Article.jsp#.ToDamksQHmY.email

We will have representatives from ZOLL and Physio Control to present their products that help transmit EKG/data. I have also invited the Cardiovascular Centers from Poudre Valley Health Systems and North Colorado Medical Center to attend.

We will finish "old business" including anticoagulation with limited trauma and if time permits review the use of Lactated Ringers for pre hospital resuscitation in trauma.

Feel free to contact me at the email address above or call me at 303-956-1812/970-381-5290.
